

Job description

Rhino Asphalt Solutions are a well-established Highways Maintenance Contractor working on both local and national projects and are looking for full time, road maintenance operative/s to work out of our Alsager depot. Rhino take pride in offering a dedicated, flexible approach which supports our clients, underpinned by the recruitment, development, and retention of a locally based workforce.

What the role will involve?

- Maintain high technical standards and achieve outputs to company standards
- Attend project and work briefings where required
- Drive/operate vehicles/plant requiring general and specialist skills including vehicle checks, routine maintenance, (e.g. oil and water checks) and cleaning
- Undertake all aspects of highway maintenance works
- Take responsibility for the safety of yourself and others within your team to ensure compliance with relevant health and safety legislation and safe operation to protect members of the public.
- Carry out vehicle checks prior to shift starting, correctly filling in defect books
- Record Drivers' hours
- To keep records, complete all necessary paperwork,
- Excellent communication skills to liaise with other employees of Rhino, sub-contractors, clients and customers
- Be flexible and able to work as part of a team.
- Be reliable with excellent time keeping skills.

What are we looking for from you?

- Proven experience working in Highways Maintenance
- Full UK driving licence - HGV class 2 would be advantageous
- Appropriate qualification to relevant trade – NVQ level 2 Highway Maintenance or NRWSA
- Self-motivated and pro-active in terms of delivering solutions
- Abrasive Wheels
- Banksman
- CAT Scanner/Cable avoidance
- Emergency First Aid at Work
- (HSE) Environmental Awareness
- Toolbox Talks
- Manual Handling
- CSCS card

Candidates must be willing to undertake any relevant training not held above.

Please forward a CV/summary of your work experience.
